	Most ordered stock type for species.
Call Seedling Services staff for other options or advice. Alan Rasmussen (250)558-1740, Scott Ruzyllo (250) 649 -2815	

For summer stock, the planting date you enter into SPAR is the date the nurseries plan the seedlings to be ready for. Please ensure this date will work for your area, your planting contractor and your contract coordinator before approving the request. Do not use July 4th or earlier.
