

Licensee, Contractor or Permittee
Certification Initiatives
Evaluation Form

The purpose of this form is to provide another feedback option to Licensees, Permittees and contract holders, on the effectiveness of the BC Timber Sales Environmental Management System, Sustainable Forestry Initiative and Safety programs. These programs are an important part of BCTS operations by ensuring safe operations, environmental sustainability and access to global sales markets. Comments received will be considered and used in an ongoing effort to improve the programs and their usability / understanding by our clients. Completion of this form is voluntary and appreciated.

Comments may also be submitted via the internet at
