DEVELOPMENT STAGE

Please select one.

- 0 Incidental Observation
- 1 Planning
- 2 Layout & Development
- 3 Final TSL Package **perform CDC check for updates only at this stage*
- 4 Silviculture

SPECIES OF MANAGEMENT CONCERN CHECKLIST

Please review the current BCTS Chinook focus list, found on the [BCTS Chinook EMS website](#).

Data Check Complete: Does the iMap tool from the [Conservation Data Centre \(gov.bc.ca\)](#) indicate the presence of any species or ecosystems listed in the current BCTS Chinook focus list? Note: Please contact Wildlife Resource Specialist Dori Manley (dori.manley@gov.bc.ca) in the event of secured (masked) data overlap. Additional instructions are available in the CDC iMap for this circumstance.
