In addition, Commerce intends to rescind this review with respect to 21 companies. Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2018, Commerce published in the *Federal Register* the antidumping duty (AD) order on softwood lumber from Canada.¹ On January 2, 2025, Commerce published in the *Federal Register* a notice of opportunity to request an administrative review of the *Order* for the

POR.² On February 21, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the *Order*.³ On April 9, 2025, Commerce selected Canfor Wood Products Marketing Ltd., Canadian Forest Products Ltd., Canfor Corporation, Canfor Fox Creek Ltd., and Canfor Whitecourt Ltd. (collectively, Canfor); Resolute Growth Canada Inc., Forest Products Mauricie LP, Société en commandite Scierie Opitciwan, Resolute-LP Engineered Wood Larouche Inc., Resolute-LP Engineered Wood St-Prime Limited Partnership, and Resolute FP Canada Inc. (collectively, Resolute); and Manning Forest Products Ltd., Sundre Forest Products Inc., Blue Ridge Lumber Inc., and West Fraser Mills Ltd. (collectively, West Fraser) as the mandatory respondents in this administrative review.⁴

On September 16, 2025, we extended the preliminary results of this review by an additional 119 days, in accordance with section of 751(a)(3) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(2).⁵ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁶ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁷ Accordingly, the deadline for these preliminary results is now April 8, 2026. Scope of the Order

The merchandise subject to the *Order* is softwood lumber from Canada. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.

Intent to Rescind Administrative Review, In Part

Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be a suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the AD assessment rate calculated for the POR.¹¹

As discussed in greater detail in the Preliminary Decision Memorandum, the POR entry totals reflected in the CBP data reflected no POR entries of subject merchandise from the companies listed in Appendix II. In the absence of any suspended entries of subject merchandise from these companies during the POR, Commerce hereby notifies all interested parties of its intent to rescind this administrative review with respect to these companies. Commerce is

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. Rate for Non-Examined Companies

The Act and Commerce's regulations do not address the establishment of a weighted-average dumping margin to be determined for companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy less-than-fair-value (LTFV) investigation, for guidance when determining the weighted-average dumping margin for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally "an amount equal to the weighted average of the estimated weighted average dumping margins established for exporters

and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.”

In this review, we preliminarily calculated above *de minimis* weighted-average dumping margins for Canfor, Resolute, and West Fraser that were not determined entirely on the basis of facts available. Therefore, consistent with section 735(c)(5)(A) of the Act, we are preliminarily assigning the weighted average of the three mandatory respondents’ weighted-average dumping margins, to the companies not selected for individual examination in this review.

Preliminary Results of the Review

As a result of this review, we preliminarily determine the following estimated weighted-average dumping margins for the period of January 1, 2024, through December 31, 2024:

Producer or Exporter	Weighted-Average Dumping Margin (percent)
Canfor	16.85
Resolute	13.25
West Fraser	4.77
Non-Examined Companies	10.66

Disclosure

Commerce intends to disclose the calculations performed for these preliminary results to interested parties within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce no later than 21 days after the date of the publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case

briefs.¹² Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹³

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide, at the beginning of their briefs, a public executive summary for each issue raised in their briefs.¹⁴ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁵

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁶ Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of these

preliminary results in the *Federal Register*, pursuant to section 751(a)(3)(A) of the Act, unless extended.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁷ If a respondent's weighted-average dumping margin is above zero or *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).¹⁸ If a respondent's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with the *Final Modification for Reviews*.¹⁹

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future deposits of estimated duties, where applicable. Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the *Federal Register*, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

¹⁷ See 19 CFR 351.212(b).

¹⁸ In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

¹⁹ See *Final Modification for Reviews*, 77 FR at 8103; see also 19 CFR 351.106(c)(2).

Cash Deposit Requirements

The following deposit requirements will be effective upon publication in the *Federal Register* of final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not covered in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company was examined; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 6.04 percent, the all-others rate established in the LTFV investigation.²⁰ These deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written

²⁰ See Order.

briefs, no later than 120 days after the date of publication of this notice in the *Federal Register*, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
