

Chief Forester Order
Section 177 of the *Forest Act*

I, Larry Pedersen, Chief Forester, order that, effective on the date section 3 (1) of the *Nisga'a Final Agreement Act* comes into force, the allowable annual cut for the Nass Timber Supply Area is reduced by 7 600 cubic metres as a result of the reduction in size of the Timber Supply Area under the *Nisga'a Final Agreement*. This order is rescinded on the date that I next determine an allowable annual cut for the Nass Timber Supply Area under section 8 of the *Forest Act*.
