# What Old Growth Forests Mean to Me

Growing trees  
helps keep the water  
cool.

# What Old Growth Forests Mean to Me

Trees are important because they  
give us health and they make homes  
for the animals.

# What Old Growth Forests Mean to Me

Old growth is just like Mother  
nature. My family has bunnies  
we need nature for animals.

What Old Growth Forests Mean to Me

I like trees because they give us life.

# What Old Growth Forests Mean to Me

Trees are important because  
they provide oxygen.
