

2022: Notice #1 Updated

2022 Coast Crown Tenure Management Cost Survey

Date: Updated February 4, 2022

Survey Instructions, Template & Information:

The 2022 Coast Cost Survey templates and instructions will be posted to this web page February 15, 2022. The single survey instructions and template are applicable to both the former long (transition away from) and short form surveys. All clients will transition to the new short form survey template this year.

Survey Submission Deadlines for 2022 (cost base 2021 data) will be as follows:

- **April 30, 2022 for all Schedule B, TOA & Specified Operations**
- **May 31, 2022 for Schedule A, Total Delivered Log Cost**

Clients have been sent a formal data request in January 2022. Note that no survey exemptions or extensions are granted.

However, all coastal clients may submit a survey if they wish to, using the above noted templates.

Survey Preparation Training:

Training for the survey will be provided during the month of March 2022 by virtual conference call. Please email the program for a meeting invitation for the training at: FORCLCS@Victoria1.gov.bc.ca.

All clients are welcome. Scheduled dates are as follows:

- March 9, 2022, 10-11 am: Introduction to the survey
- March 30, 2022, 10-11 am: Preparing for the submission & data review

Contact Information:

Contact email address for the program is: FORCLCS@Victoria1.gov.bc.ca

Client contact email: Please update the company email contact address, through the Harvest Billing System (HBS) contact center. This is important, so as to enable online work and communications, especially during this time of Covid-19. Your attention to this matter is appreciated, in advance.
