Re: Cutting Authorities in the Kispiox, Nass and Cassiar Timber Supply Areas Appraised to the Smithers Point of Appraisal

The purpose of this memorandum is to clarify the direction in the previous Ministers' memo dated August 16, 2016.

Through this memorandum and effective on the date of this memorandum, I direct you to:

Appraise all future cutting authorities located in the Kispiox, Nass and Cassiar Timber Supply Areas using Terrace as the Point of Appraisal (POA); and for the cycle time calculation, use a POA listed in Table 1-1 of the Interior Appraisal Manual which results in the shortest cycle time.
