## **Interior Residue and Waste Trainers Contact Information**

On April 1, 2019 the *Provincial Logging Residue and Waste Measurements Procedure Manual – Interior Procedures* came into effect. In May 2019, the Ministry held a “Train the Trainer” session to provide instruction on the new Interior residue and waste standards and procedures.

The individuals listed below have successfully completed the “Train the Trainer” session or have the qualifications and experience to provide training on the new Interior waste survey procedures.

**Please note:** the following list of trainers is provided for informational purposes only and does not imply an endorsement or recommendation by Timber Pricing Branch. As such, the names are listed alphabetically by first name. This list will be updated as required.

To arrange waste training, trainers’ contact information is listed below:
