TIMBER MARK SITE DESIGNATION APPLICATION

TIMBER MARK:

Location of Timber: _____

Pursuant to Section 94(1) of the *Forest Act* and Section 2 of the *Timber Marking and Transportation Regulation*, a person must transport unscaled timber to a scale site designated by a Forest Officer. Timber may only be scaled at the sites designated in this agreement. **It is an offence** to transport timber to a location other than the designated scale site. The timber mark holder or an authorized company official, and an authorized Ministry Official prior to the beginning of scaling must sign this agreement. This agreement **does not** constitute an approval to harvest timber.

TIMBER MARK HOLDER APPROVAL:

Name of Timber Mark Holder: _____ **Phone No.** _____

Mark Holder Signature: _____ **Date:** _____

Name of Applicant: _____ **Phone No.** _____

Applicant Signature: _____ **Date:** _____

- **Application is to be sent to the Natural Resource District in which the timber originates.**
- **This application is for less than 300 cubic metres (approximately 8 truck loads) to be transported by land only and I am applying for an exemption from hammer marking in favour of paint or crayon marking.**

Water transportation of unscaled timber by barge or boom will require additional approvals prior to timber movement.

Scale Site	**Scale Site Name**	**Volume (m3) OR # of Loads**	**Authorization Expiry** YYYY/MM/DD
