Please review the information contained above and the attached map(s) and complete the following:

We have no concerns with the proposed small scale salvage application. We have no future plans within the shelf-life* of the timber within the proposed area. The proposed impacts on our silviculture obligations from Section B above have been reviewed and are acceptable**.

This proposal is also acceptable in terms of its potential impacts to Landscape Biodiversity Objectives. Comments:

* Shelf-life is the length of time after death that the tree will be useable considering the current merchantability specifications for salvage timber. **Note that this may require a Site Plan or Silviculture Prescription amendment

We cannot agree with the proposed small scale salvage application for the following reasons:
