Legal Description

See annotated boundary linework on the map for legal description. See the Incomappleux Conservancy legal map for the authoritative legal description of the conservancy boundary.

Deletion excludes land covered by water, surveyed right of ways, private lands, parks and protected areas within the deletion area.

Boundary linework is tied to the best available digital base information (TRIM or Fresh Water Atlas) and the best available survey information (Tantalis, Integrated Cadastral Fabric or Parcel Map BC) from the BC Geographic Warehouse or from independent surveys.

If there are any discrepancies between the map and the original ground location of these boundaries, the ground location shall take precedence.
