Dear Rick Chidley:

Your Woodlot Licence Plan (WLP) submission of April 8, 2010 and as amended July 5 and July 12, 2010 for Woodlot Licence W1612 for 2010 to 2020 has now been fully reviewed.

Determination:

I am satisfied that the plan has been prepared and submitted in accordance with Section 13 of the *Forest and Range Practices Act* (FRPA) and the regulations. Accordingly, as the statutory decision-maker authority under Section 16 of the FRPA, I am approving your WLP.

The Ministry of Forests and Range remains committed to a meaningful consultation process with First Nations who may assert traditional aboriginal interests in an area covered by this WLP. The particulars of this WLP have been communicated to the appropriate First Nations and their input has been encouraged. To date, I have not been advised of any site-specific aboriginal interests that may be infringed upon by the proposed development described in this WLP.

The term of this plan is July 13, 2010 to July 12, 2020. Further development taking place on Woodlot Licence W1612 must be done in accordance with the approved WLP. This letter forms an integral part of the WLP for Woodlot Licence W1612 and should be attached to it.

For clarification of any aspect of this determination, please contact Jim Simpson at 250-286-9360.

Yours truly,

Rory Annett, RPF
District Manager
