Dear Lee Pond:

Your Woodlot Licence Plan (WLP) for Woodlot Licence W1678 reflecting the consolidation of WL W1678 and W1679 has now been fully reviewed.

**Determination:**

I am satisfied that the plan has been prepared and submitted in accordance with Section 13 of the *Forest and Range Practices Act* (FRPA) and the regulations. Accordingly, as the statutory decision maker authority under Section 16 of the FRPA, I am approving your WLP extension and amendment.

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development remain committed to a meaningful consultation process with First Nations who may assert traditional aboriginal interests in an area covered by this WLP. The particulars of this WLP have been communicated to the appropriate First Nations and their input has been encouraged. To date, I have not been advised of any site-specific aboriginal interests that may be infringed upon by the proposed development described in this WLP.

The term of this plan has been extended from January 3, 2018, to January 2, 2028. Further development taking place on Woodlot Licence W1678 must be done in accordance with the approved WLP. If you need clarification of any aspect of this determination, please contact Jim Simpson at 250-286-9360 or by email at [Jim.Simpson@gov.bc.ca](mailto:Jim.Simpson@gov.bc.ca).

## DISCLAIMER

- Recognising the special nature of management on a woodlot licence, this disclaimer forms part of the Woodlot Licence Plan (WLP) for Woodlot Licence Number 1678 (W1678) and advises that:
  - the decision to operate under one or more of the Default Performance Requirements provided in the Woodlot Licence Planning and Practices Regulation (WLPPR) is the sole responsibility of the woodlot licence holder, and involved no detailed oversight or advice from the prescribing registered professional forester. This disclaimer is signed on the explicit understanding and information provided by government that, the use and achievement of a Default Performance Requirement, meets the expectations of government with respect to the management of woodlot licences;
  - the undersigned Registered Professional Forester has been retained to provide advice on the practice of professional forestry with regard to items such as alternative performance requirements, applicable results and strategies and other required measures that do not have a default performance requirement provided in the WLPPR.
