* This application will also serve as a request to amend the Management Plan for the woodlot license to remove the applicable private land AAC from the AAC for the woodlot license and remove any reference to the applicable private land, including maps. This application will also serve as a request to amend the Woodlot License Plan to remove any reference to the applicable Private (Schedule A) Land, including maps.

** In accordance with the Woodlot License Private Land Deletion Guidelines, a holder is to be in good standing to be considered for private land removal; this section should illustrate good forest practice on the entire woodlot license.

License Holder(s) Declaration

I (we) certify that to the best of my (our) knowledge, the above information is correct.

I (we) agree to the deletion of the identified private land from this Woodlot License and from the area covered by the Management Plan for this Woodlot License and from the area covered by the Woodlot License Plan (if a First Nation, a Band Council Resolution is attached).

I (we) understand that the AAC for this Woodlot License will be reduced by the AAC attributed to the private land being removed from the License, effective as of the date of the private land deletion approval. I (we) further understand that I (we) are responsible for any overcut and penalty situation that may arise from this adjustment in AAC.

I (we) agree that the identified private land will not be included in any future Woodlot License applications submitted by the undersigned or their family members.
