

Wildstand Cone Collection Workshops

This workshop, offered in 4 locations in June 2018, is intended to provide guidance to those involved in all aspects of wild stand cone collection. Climate-Based Seed Transfer and the new Cone Collection Standards (Effective August 6, 2018) will be discussed in detail.

TOPICS COVERED:

- Seed Availability and Projected Seed Needs
- Seed Biology & Cone and Seed Pests
- Tree Seed Centre Services
- Collection Planning, Methods and Implementation
- Climate- Based Seed Transfer (CBST) and new Cone Collection Standards
- Changes to the Seed Planning and Registry System (SPAR)

The cost of the workshop is \$25. 8:30 am to 4:30 pm. Coffee and lunch included in registration.
