- Area values are rounded to the nearest whole hectare
- Area values are calculated in the BC Albers projection

RESERVES

Mineral – No Registration Reserves:

- # of reserves = 1,606
- area in hectares of individual reserves = 8,472,263
- area in hectares of reserves where overlaps have been removed = 8,031,573

Placer – No Registration Reserves:

- # of reserves = 1,347
- area in hectares of individual reserves = 8,949,110
- area in hectares of reserves where overlaps have been removed = 8,558,714
- area in hectares of reserves (with overlaps removed) within designated placer areas: 2,673,202
(total designated placer claim and lease areas = 30,425,916 hectares)

Coal – Coal Land Reserves:

- # of reserves = 684
- area in hectares of individual reserves = 7,357,179
- area in hectares of reserves where overlaps have been removed = 6,689,141

Mineral – Conditional Registration Reserves:

- # of reserves = 230
- area in hectares of individual reserves = 3,531,504
- area in hectares of reserves where overlaps have been removed = 3,370,110

Placer – Conditional Registration Reserves:

- # of reserves = 198
- area in hectares of individual reserves: 3,731,868
- area in hectares of reserves where overlaps have been removed = 3,570,575
- area in hectares of reserves (with overlaps removed) within designated placer areas: 1,038,003
(total designated placer claim and lease areas = 30,425,916 hectares)

Coal – Conditional Reserves:

- # of reserves = 0
- area in hectares of reserves = 0

IMPORTANT NOTES ON RESERVE STATS:

- Reserves excluded from the above figures:
 1. Site number 332568 – Tidal Water Reserve / Coastal Areas
 2. Site number 333110 – Post 1988 Crown Grants Reserve (Province-wide; no spatial representation exists)
 3. Site number 362534 – Placer Reserve outside of Placer Designated area (Province-wide; no spatial representation exists)
