# Logon to MTO

What do you need to Logon to MTO?

To access title registration and maintenance features of MTO, you will need to obtain:

1. a **Business BCeID** (British Columbia Electronic Identification) from the BCeID website
2. an **FMC** (Free Miner Certificate) from FrontCounterBC, Service BC offices or the Mineral Titles Office

Once you have obtained a BCeID and have a valid FMC, you will use your BCeID to logon to MTO.

What you need to Acquire & Maintain Mineral Titles

Free Miner Certificate (FMC)
- Provides clients with the right of free entry onto mineral lands, and to register mineral titles and other transactions in the registry.
- Download an FMC application form
- Register in person at a Service BC, FrontCounter BC, or Mineral Titles office.
- NOTE: Requires a yearly renewal fee. The first time fee must be paid by cash or cheque; subsequent payments are made online using Mineral Titles Online.

Business BCeID
www.BCeID.ca
- Provides secure electronic access to government services, including Mineral Titles Online
- Verify your identity at any Service BC, FrontCounterBC or Mineral Titles office
- NOTE: *Individual* FMC's still require a Business BCeID. Select *proprietorship* for the type of business and *no* for the business number during the enrolment process
