

**Early Release of Cell Availability
related to abandonments and reductions**

Cells related to abandoned or reduced titles do not become available until 10 am (PST) on the day that follows the good-to-date of the title, as stated on Mineral Titles Online, at the time the abandonment or reduction event was registered.

The Mineral Titles Branch has chosen to alter the date of availability of some of these abandoned or reduced cells.

The cell key ID's listed below will be released for acquisition on December 14, 2020 starting at 11:00 am. Mineral cells are listed first and the placer cells are listed second.

Warning: The cell key ID's listed below is subject to change.
