## Compilation of Gazette Listings

Updated: Dec 20/24

This is a compilation of all CGs that have reverted and have been gazetted under section 26 of the Mineral Tenure Act from August 15, 1988 to present day. This compilation list is sorted by land district and then by lot number. The mineral rights within the areas defined by these district lots came open as of the date that appears in the "Date Open" column.
