Approved 22/1/49

recommend that the reservation upon all minerals in the Lands described in Order-in-Council 1963, approved on the 24th day of August, 1948, be cancelled.

And recommend that pursuant to subsection (1) of section 15A of the "Placer-mining Act" as enacted by chapter 29 of the Statutes of British Columbia, 1944, a reservation be placed upon all minerals in the following described lands in the Omineca and Skeena Mining Divisions, namely:--

All and singular those lands and premises of all that area in the Nechako River, Duchu Lake, Tetachuck River, Tetachuck Lake, Dutsuk Lake, Natakuz Lake, Intata Lake, Ootsa River, Ootsa Lake, Sinclair Lake, Whitesall River, Whitesall Lake, Tahitsa River, Tahitsa Lake, Troitsa River and Troitsa Lake drainage basins, including all connecting and tributary streams and lakes, lying upstream from a line drawn northeast and southwest through the head of the rock-wall gorge of the Nechako River (approximately five and one-half miles below the junction of Big Bend Creek with the Nechako River), and below an elevation of 3000 feet (assuming mean highwater of Dutsuk Lake to be at an elevation of 2817 feet).

And upon all minerals in the following described lands: namely, an area six miles wide being three miles on either side of a straight line drawn southwesterly from the southerly extremity of Pondosy Lake to the junction of Trapper Creek with Kimsquit River; thence four and one-half miles wide being three and one-half miles to the west and one mile to the east of a straight line drawn from said junction south approximately eleven miles to its intersection with the Kimsquit River; thence six miles wide being three miles on either side of a straight line drawn southeast from the said intersection for ten miles.

And upon all minerals in the following described lands: namely, an area three and one-half miles wide lying to the east of a straight line drawn south from the east end of Surel Lake to the Kimsquit River.

And upon all minerals in the following described lands: namely, an area four miles wide being two miles on either side of a straight line drawn from the head of Tahtsa Lake to the junction of Horetzky Creek with the Kemano River; thence three miles wide being one and one-half miles on either side of the centre line of the Kemano River to its mouth; thence three miles wide being one and one-half miles on either side of a straight line drawn from the said mouth of the Kemano River west for two miles.

And that the undersigned Minister of Mines do sign an order to that effect, and that notice of the said order be published in one issue of the Gazette.
