

See 2726/29-1952

OTC #  
2559

Approved Oct 31/51

Recommend that the reservation upon all minerals in the land described in Order-in-Council 414, approved on the 6th day of March, 1950, be cancelled:

And recommend that pursuant to subsection (1) of section 16 of the "Placer-mining Act", chapter 214 of the Revised Statutes of British Columbia 1948, a reservation be placed upon all minerals in the following described lands in the Omineca and Skeena Mining Divisions, namely:-

All and singular those lands and premises of all that area in the Nechako River, Echu Lake, Tetchuck River, Tetchuck Lake, Kutsuk Lake, Kataluk Lake, Intata Lake, Ootsa River, Ootsa Lake, Sinclair Lake, Whitesall River, Whitesall Lake, Tahsa River, Tahsa Lake, Murray Lake, Cheslatta Lake, Whitesall Lake, Tahsa River, Tahsa Lake, Murray Lake, Cheslatta Lake, Cheslatta River and Skins Lake drainage basins, including all connecting and tributary streams and lakes lying upstream from a line drawn northwest and southeast across the Nechako River one half mile downstream from the outlet of Cutoff Creek and below an elevation of 3,000 feet (assuming mean highwater of Kutsuk Lake to be at an elevation of 2817 feet) excepting thereout that part of the valley of the stream draining Knapp Lake beyond one mile from Cheslatta Lake:

And upon all minerals in the following described lands: namely, all that area in the Nanika River, Kidpryce Lake, and Nanika Lake drainage basins, including all connecting and tributary streams and lakes lying upstream from a line drawn east and west across the Nanika River four miles below the outlet of Kidpryce Lake and below an elevation of 3200 feet:

And upon all minerals in the following described lands: namely, an area eight miles wide (between Nanika Lake and Tahsa Lake) lying to the northeast of a straight line drawn from the west end of a small lake (immediately to the west of the west end of Nanika Lake) to the west end of Tahtsa Lake:

And upon all minerals in the following described lands: namely, an area four miles wide being two miles on either side of a straight line drawn from the head of Tahtsa Lake to the junction of Horetzky Creek with the Kemano River; thence three miles wide being one and a half miles on either side of the centre line of the Kemano River to its mouth; thence three miles wide being one and a half miles on either side of a straight line drawn from the said mouth of the Kemano River west for two miles:

and being adjacent to the following

*unpublished*  
*unpublished*

And upon all minerals in the following described lands; namely, an area one mile wide along the northerly and eastern shores of Barry Reach, Europa Reach, Alan Reach, Devastation Channel, Douglas Channel and Kitimat Arm to the head of said Kitimat Channel including one mile southeasterly from Cornwall Point between Barry Reach and Europa Reach;

24

And upon all minerals in the following described lands; namely, an area one mile wide lying westerly from the centre line of the Kemano River from the junction of Horetzky Creek upstream for nine miles; thence an area two miles wide, being one mile on either side of a line drawn from the said point to a fork on Kildala River; approximately twelve miles from its mouth; thence two miles wide, being one mile to the south and one mile to the north of the centre line of the Kildala River for five miles; thence one mile wide being one mile north from the centre line of Kildala River and north shore of Kildala Arm; thence two miles wide, being one-half mile to the northeast and one and a half miles to the southwest of a line drawn from the mouth of the Dala River to the mouth of the Kitimat River;

And that the undersigned Minister of Mines do sign an order to that effect.

DATED THIS DAY OF A.D. 1951.

MINISTER OF MINES.  
APPROVED THIS DAY OF A.D. 1951.

Presiding Member of the Executive Council.
