

Approved and ordered this 7th day of April

, A.D. 19 53.

At the Executive Council Chamber, Victoria,

  
Lieutenant-Governor.

## PRESENT:

The Honourable

in the Chair.

Mr. Bennett  
 Mr. Chatwynd  
 Mr. Bonner  
 Mr. Gunderson  
 Mr. Gaglardi  
 Mr. Rolston  
 Mr. Martin  
 Mr.  
 Mr.  
 Mr.  
 Mr.

To His Honour

The Lieutenant-Governor in Council:

Res. No 2671/61

The undersigned has the honour to recommend that pursuant to Sub-section 5 of Section 14 of the "Mineral Act", Chapter 213, Revised Statutes of British Columbia 1948, a reservation be placed upon all minerals in the following described lands in the Quesnel and Cariboo Mining Divisions, namely:

An area 2,000 feet wide being 1,000 feet horizontally on either side of the centre line of the North Fork of the Quesnel River from an east-west line at the junction of the North and South Forks of the Quesnel River upstream to an east-west line across the North Fork of the Quesnel River where Sellar Creek enters the said North Fork of the Quesnel River:

And all of that area along the valley of the North Fork of the Quesnel River, Cariboo Lake and Cariboo River including all tributary streams and lakes lying upstream from an east-west line across the valley of the North Fork of the Quesnel River where Sellar Creek enters the said North Fork of the Quesnel River and below an elevation of 2,725 feet (assuming mean high-water of Cariboo Lake to be at an elevation of 2,650 feet):

And all of that area along the valley of Cariboo River including all tributary streams and lakes lying upstream from an east-west line across Cariboo River where Limestone Creek enters the said Cariboo River and below an elevation of 100 feet (assuming the mean level of Cariboo River where Limestone Creek enters the said Cariboo River to be zero feet):

And all of that area along the valley of the Cariboo River (also known as Swamp River) and Unna Lake, Sandy Lake, Lanezi Lake, McCleary Lake, Babcock Lake, Skof Lake, Spectacle Lake and Bowron Lake and all tributary and connecting streams and lakes lying upstream from an east-west line across the valley of the said Cariboo River at a point one half mile below Swamp River Falls and the west boundaries of Lots 427 and 2045 at the north end of Bowron Lake and below an elevation of 3,135 feet (assuming the mean highwater level of Bowron Lake to be 3,100 feet):

..2

Lands

B.C. Power Commission.

Mines (2)

G. 4/6/53

G.H.

Which should not  
 necessary to gazette.  
 11/6/53  
 G.H.

And all of that area along the valley of Isaac Lake and all tributary and connecting streams and lakes upstream from an east-west line through the north end of McCleary Lake and below an elevation of 3,250 feet (assuming the mean highwater of Isaac Lake to be 3,200 feet):

AND THAT the undersigned Minister of Mines do sign an Order to that effect.

*6000 to Mine*  
DATED THIS  
*10/4/53*  
*HP*

*Second* DAY OF *April* A.D.1953.

*Ralph Chetwood*  
*Acting* Minister of Mines.

APPROVED THIS *Second* DAY OF *April* A.D.1953.

*W.A.O. Bennett*  
Presiding Member of the Executive Council.

DEPARTMENT OF MINES

RE O. IN C. The attached Order-in-Council recommends a mineral reserve in the lands described therein to prevent nuisance staking under the "Mineral Act" at the request of the British Columbia Power Commission.
