S. O. V. 21/3 [unclear]

recommend that in accordance with section 14 (5) of the Mineral Act and section 16 (1) of theplacer-mining Act, chapters 212 and 214 of the revised statutes of British Columbia 1946, respectively, a reservation be placed upon all minerals in the following area in the Alberta Mining Division:-

Commencing at the northwest corner of lot 193, thence due west to the stream flowing north from lot 193; thence southerly along the centre line of said stream to the railway crossing at the outlet of lot 193; thence southeasterly along the centre line of the railway to where it first crosses the highway to Great Central Lake; thence southeasterly along the centre line of the highway to where the westerly extension of the south boundary of lot 60 intersects the highway; thence east along the south boundary of lots 60 (and its westerly extension) and 266 to the southeast corner of lot 266; thence north along the east boundary of lot 266 to the southeast corner of lot 109; thence east along the south boundary of lot 109 to the Stump River; thence northerly along the centre line of the Stump River to the north boundary of lot 193; thence west along the south boundary of lot 193 to 372 southeast corner; thence north along the west boundary of lot 193 to the point of commencement;

and that the Minister sign an order to this effect.

AND FURTHER TO RECORD AND THAT in accordance with section 14 (5) of the Mineral Act as amended by chapter 49 of the statutes of 1955, and section 16 (2) of the placer-mining Act as amended by chapter 30 of the statutes of 1955, respectively, the reserve established by this order in Canada be cancelled as of twelve o'clock noon May 12th, 1958, subject to the following terms and that a notice to this effect be signed by the Minister and published in the Gazette:-

Miss O

(1) No person shall prospect or mine or place or erect any equipment or building within fifteen hundred feet of any dam, spillway or power plant or within five hundred feet of any transmission line or any other work or structure erected or that may be erected within the area formerly reserved for the purpose of developing or transporting hydroelectric energy unless the approval of the Chief Inspector of Mines has first been obtained; and

(2) No holder of a mineral claim, or placer-mining claim, or lessee of a mineral lease, or placer-mining lease that may hereafter be located within the area formerly covered by the reserve shall interfere or allow any person exploring, developing, mining or working in any way the said claim or lease to interfere in any manner with the construction, operation and maintenance of any work done or structure erected to develop and transport hydroelectric energy; and

(3) No person who may hereafter acquire mineral rights under the "Mineral Act" or the "Placer-mining Act" within the area formerly reserved shall be entitled to compensation for damage to his operations caused by flooding of all or any part of the area; or by any work done or structure erected to develop and transport hydroelectric energy.

DATED THIS 28th DAY OF April A.D. 1938

"W. K. Kierman"
Minister of Mines.

APPROVED THIS 28th DAY OF April A.D. 1938

"B. C. Martin"

President, Member of the Executive Council.
