Note: Cancels mineral reservations over once proposed tunnel routes to be used in developing Granduc mine.

DEPARTMENT OF MINES

Recommending 4 Orders in Council be rescinded.
Re O. IN C. The Orders created mineral reservations for proposed tunnel sites to be used in producing ore from the Granduc Mine in the Skeena Mining Division. Because economic conditions have compelled the company to hold production in abeyance they have agreed that it is proper to cancel the reservations until work is resumed.
