recommend that Orders in Council Nos. 1769 and 1770, approved July 13, 1955, and Order in Council No. 2319, approved September 24, 1957, be rescinded:

AND TO RECOMMEND THAT pursuant to the Placer-Mining Act and Mineral Act and all other powers thereunto enabling no person may enter, locate, prospect or mine upon the following areas in the Vancouver Mining Division, or for any mineral therein:

All those lands situated in the Elaho and Squamish River Valleys in the Vancouver Land Recording District, being more particularly described as follows:

An area two miles wide, being one mile on each side of a line drawn southerly from the southwest corner of STL 3824P to the southeast corner of STL 3120P, thence southeasterly to the southeast corner of STL 3113P, thence southeasterly to the southwest corner of Lot 1194, thence southeasterly to the southwest corner of STL 5619P, thence due south approximately three miles to an intersection with the easterly extension of the south boundary of Lot 1188, thence southeasterly for three miles on a line drawn to the northeast corner of Indian Reserve No. 7; and

An area three and one-half miles wide being one and three-quarters miles on each side of the continuation of the said line to the northeast corner of Indian Reserve No. 7, to the mineral reserve established under Order in Council 2765, approved December 5, 1960, and to the westerly extension of the north boundary of Indian Reserve No. 7; and

An area two miles wide being one mile on each side of a line drawn northwesterly from the northwest corner of STL 3117P through the most southwesterly corner of STL 3120P for a distance of two and one-half miles from the said southwesterly corner of STL 3120P; and

An area two miles wide, being one mile on each side of a line drawn northwesterly from the southwest corner of Lot 1194 to the northwest corner of Lot 1202, and bounded on the north by the north boundary of Lot 1202 and the east and west extensions thereof;

all as shown on the attached plan.

All those lands in the New Westminster and Lillooet Land Districts, being more particularly described as follows:

Commencing at the most northerly northwesterly corner of Surveyed Timber Limit 3120P, thence southwesterly in a straight line to the northwest corner of Lot 3524, thence south to the southwest corner of Lot 3517, thence east to the southeast corner of Lot 3517, thence north to the southwest corner of Lot 3516, thence east to the southeast corner of Lot 3516, thence easterly in a straight line to the most northerly northwest corner of Surveyed Timber Limit 3115P; thence northerly in a straight line to the point of commencement;

except in accordance with and subject to the following terms and conditions:

- (1) That any free miner who locates a placer claim or mineral claim and obtains a record thereof or who obtains a placer lease or a mineral lease shall do so at his own risk and shall not interfere or allow any person exploring, developing, mining, or working in any way the said claim or leasehold to obstruct or to interfere in any manner with the exercise of any right, whether existing or subsequently granted, of any other person to flood, or to occupy for any purpose connected with the development of hydro-electric power, the areas reserved, or to construct, operate and maintain any work done or structure erected for any of the foregoing purposes and the free miner shall not be entitled to compensation for any damage which may be done to his mining operation, plant or equipment by the aforesaid exercise of any right whether existing or subsequently granted;
- (2) No free miner shall carry on any mining operation within fifteen hundred feet of any dam, conduit, water tunnel, spillway or power plant, or within five hundred feet of any transmission line or any other work or structure which may be erected in the areas reserved except with the permission of the Chief Inspector of Mines;
- (3) A person, including the Crown or its agent, who builds or proposes to build a dam, conduit, water tunnel, or power plant, or transmission line, or any ways, works, or structures in the areas reserved shall not interfere with or dislocate or obstruct any existing mining operation, plant, or equipment without:
 - (a) Inserting an advertisement of such intention in one issue of the British Columbia Gazette and in one issue of a newspaper circulating in the district in which the reserved areas are situated, not less than thirty days nor more than ninety days before the actual start of the work or operation which will result in such interference, dislocation or obstruction takes place; and
 - (b) Giving at least ninety days notice in writing to the owner or holder of a mineral claim, lease or placer-mining claim, as the case may be, or his representative, which notice shall be deemed to have been sufficiently given if it is mailed to the address noted upon the last tax notice issued in respect of a Crown-granted mineral claim or noted in the most recent relevant record of the Gold Commissioner, and any notice so given shall be deemed to have been received when, in the ordinary course of mail, it should have been delivered. No notice under this term or condition need be delivered to a free miner or lessee, or his representative, who records a placer claim or a mineral claim or applies for a mineral lease or files a notice of intention to apply for a placer-mining lease after the insertion of the advertisements required by paragraph (3) (a) above;

- (4) The benefit of the conditions set forth in this order inures to the Crown and its agents, to persons contracting with the Crown with respect to the development of the areas reserved and to licencees under the "Water Act":
- (5) The free miner shall before making application to record a placer claim or a mineral claim or before making application for a mineral lease or filing a notice of intention to apply for a placer lease, execute and deliver to the Gold Commissioner a release, in quadruplicate, in favour of Her Majesty in the right of Her Province of British Columbia, and licencees, assignees, agents and servants, from any cause of action, claim, demand or action, which he may at any time have or allege as the result of any exploration, development, mining or working of any area which may be included in a placer claim, a mineral claim, a placer lease or a mineral lease or as the result of occupation of any land for any purpose connected with the development of hydro-electric power or as the result of any structure, operation, or maintenance of any work done or structure erected for any of the purposes set forth in paragraph (1).
