DEPARTMENT OF MINES

Re O. IN C. This Order cancels the mineral reservation on Lot 451 at Kitimat except for an area in the southeast corner where the power line exists. Company asked for it to be retained as a reserve because of heavy forest cover which is subject to forest fire.

A handwritten signature in black ink, appearing to be 'J. M.', is located in the lower right corner of the document. The signature is written in a cursive style and is positioned above a horizontal line.
