recommend

THAT pursuant to the Mineral Act and Placer-mining Act and all other powers thereunto enabling no person may locate or mine upon the following area in the Omineca Mining Division for any minerals therein:

An area one mile wide, being one-half mile on each side of the centre line of the right-of-way for the proposed Fort St. James lateral pipeline of the Pacific Northern Gas Ltd., as shown on Maps 1-3 inclusive, Volume 124, file 113 in the office of the Chief Gold Commissioner, Department of Mines and Petroleum Resources, Victoria, B. C.

except in accordance with and subject to the following terms and conditions:

No holder of a mineral claim, or placer-mining claim or lease that may hereafter be located within the area outlined above shall interfere or allow any person exploring, developing, mining or working in any way the said claim or lease to interfere in any manner with the construction, operation and maintenance of a natural gas pipeline within the area reserved; and

No holder of a mineral claim, or placer-mining claim or lease, or any person, shall carry on any exploration, development, or mining operation of any kind whatsoever within two hundred and fifty feet of the pipeline or any pumping station, or any other works connected with the transmission of natural gas through the said pipeline, unless the permission of the Chief Petroleum Engineer and the Chief Inspector of Mines has first been obtained; and

No holder of a mineral claim, or placer-mining claim or lease, or any person exploring, developing, mining or working in any way the said mineral claim, or placer-mining claim or lease, shall be entitled to any claim for damages which may be caused by the construction, operation and maintenance of the pipeline to any workings or structures
