THAT pursuant to the Mineral Act and Placer-mining Act and all other powers thereunto enabling no person may locate or mine upon the following area in the Nanaimo Mining Division for any mineral therein:

An area 2 miles wide, being one mile on each side of the centre line of the right-of-way for the proposed Gold River-Hampkish transmission line of the British Columbia Hydro and Power Authority, as shown on maps nos. 1 and 2, file 137, in the office of the Chief Gold Commissioner, Department of Mines and Petroleum Resources, Victoria, B. C.:

except in accordance with and subject to the following terms and conditions:

- (1) That any free miner who locates a placer claim or mineral claim and obtains a record thereof or who obtains a placer lease or a mineral lease shall do so at his own risk and shall not impede or allow any person exploring, developing, mining, or working in any way the said claim or leasehold to obstruct or to impede in any manner with the exercise of any right, whether existing or subsequently granted, of any other person to flood, or to occupy for any purpose connected with the development of hydro-electric power, the area reserved, or to construct, operate and maintain any work done or structure erected for any of the foregoing purposes and the free miner shall not be entitled to compensation for any damage which may be done to his mining operation, plant or equipment by the aforesaid exercise of any right whether existing or subsequently granted:
- (2) No free miner shall carry on any mining operation within fifteen hundred feet of any dam, conduit, water tunnel, spillway or power plant, or within five hundred feet of any transmission line or any other work or structure which may be erected in the area reserved except with the permission of the Chief Inspector of Mines:
- (3) A person, including the Crown or its agent, who builds or proposes to build a dam, conduit, water tunnel, or power plant, or transmission line, or any ways, works, or structures in the area reserved shall not impede or dislocate or obstruct any existing mining operation, plant, or equipment without:
 - (a) Inserting an advertisement of such intention in one issue of the British Columbia Gazette and in one issue of a newspaper circulating in the district in which the reserved areas are situated, not less than thirty days nor more than ninety days before the actual start of the work or operation which will result in such impediment, dislocation or obstruction takes place: and
