THAT pursuant to the Mineral Act and Placer-mining Act and all other powers thereunto enabling no person may locate or mine upon the following area in the Liard Mining Division for any mineral therein:

1. All that portion of the watershed of the main stream of the Liard River and its tributaries, lying below the 950 foot contour of elevation between a point on the Liard River located 1.0 mile upstream from the mouth of Jus Creek and a point on the Liard River located 16.0 miles downstream from the mouth of Scatter River.
2. All that portion of the watershed of the main stream of the Liard River and its tributaries lying below the 1,320 foot contour of elevation between a point on the Liard River located 16.0 miles downstream from the mouth of Scatter River and a point on the Liard River located 4.0 miles downstream from the mouth of Deer River.
3. All that portion of the watershed of the main stream of the Liard River and its tributaries lying below the 1,690 foot contour of elevation, from a point on the Liard River located 4.0 miles downstream from the mouth of Deer River, upstream to the 127° 14' Meridian of west Longitude.
4. All that portion of the watershed of the main stream of the Liard River and its tributaries west of its confluence with the Kechika River, lying south of the 60th Parallel of north Latitude and west of the 127° 14' Meridian of west Longitude and lying below the 2,200 foot contour of elevation.
5. An area lying between Latitude 59° 22' North and Latitude 59° 27' North and between Longitude 125° 45' West and Longitude 125° 53' West.
6. An area lying between Latitude 59° 42' North and Latitude 59° 44' North and between Longitude 127° 15' West and Longitude 127° 24' West.

See Reserve - 113 (155)

7. An area lying between Latitude 59° 46' North and Latitude 59° 50' North and between Longitude 127° 14' West and Longitude 127° 17' West.
8. An area lying between Latitude 59° 42' North and Latitude 59° 45' North and between Longitude 124° 20' West and Longitude 124° 30' West.
9. An area lying between Latitude 59° 40' North and Latitude 59° 43' North and between Longitude 123° 53' West and Longitude 123° 59' West.

except in accordance with and subject to the following terms and conditions:

- (1) That any free miner who locates a placer claim or mineral claim and obtains a record thereof or who obtains a placer lease or a mineral lease shall do so at his own risk and shall not impede or allow any person exploring, developing, mining, or working in any way the said claim or leasehold to obstruct or to impede in any manner with the exercise of any right, whether existing or subsequently granted, of any other person to flood, or to occupy for any purpose connected with the development of hydro-electric power, the area reserved, or to construct, operate and maintain any work done or structure erected for any of the foregoing purposes and the free miner shall not be entitled to compensation for any damage which may be done to his mining operation, plant or equipment by the aforesaid exercise of any right whether existing or subsequently granted:
- (2) No free miner shall carry on any mining operation within fifteen hundred feet of any dam, conduit, water tunnel, spillway or power plant, or within five hundred feet of any transmission line or any other work or structure which may be erected in the area reserved except with the permission of the Chief Inspector of Mines:
- (3) A person including the Crown or its agent, who builds or proposes to build a dam, conduit, water tunnel, or power plant, or transmission line, or any ways, works, or structures in the area reserved shall not impede or dislocate or obstruct any existing mining operation, plant, or equipment without:
 - (a) Inserting an advertisement of such intention in one issue of the British Columbia Gazette and in one issue of a newspaper circulating in the district in which the reserved areas are situated, not less than thirty days nor more than ninety days before the actual start of the work or operation which will result in such impediment, dislocation or obstruction takes place: and
 - (b) Giving at least ninety days notice in writing to the owner or holder of a mineral claim, lease or placer-mining claim, as the case may be, or his representative, which notice shall be deemed to have been sufficiently given if it is mailed to the address noted upon the last tax notice issued in respect of a Crown-granted mineral claim or noted in the most recent relevant record of the Gold Commissioner, and any notice so given shall be deemed to have been received when, in the ordinary course of mail, it should have been delivered. No notice under this term or condition need be delivered to a free miner or lessee, or his representative who records a placer claim or a mineral claim or applies for a mineral lease or files a notice of intention to apply for a placer-mining lease after the insertion of the advertisements required by paragraph (3)(a) above:
- (4) The benefit of the conditions set forth in this order inures to the Crown and its agents, to persons contracting with the Crown with respect to the development of the areas reserved and to licensees under the "Water Act":

- (5) The free miner shall before making application to record a placer claim or a mineral claim or before making application for a mineral lease or filing a notice of intention to apply for a placer lease, execute and deliver to the Gold Commissioner a release, in quadruplicate, in favour of Her Majesty in the right of Her Province of British Columbia, and licensees, assignees, agents, and servants, from any cause of action, claim, demand or action which he may at any time have or allege as the result of any exploration, development, mining or working of any area which may be included in a placer claim, a mineral claim, a placer lease or a mineral lease or as the result of occupation of any land for any purpose connected with the development of hydro-electric power or as the result of any structure, operation, or maintenance of any work done or structure erected for any of the purposes set forth in paragraph (1).

To His Honour

The Lieutenant-Governor in Council;

The undersigned has the honour to recommend

THAT Clauses 2 and 3 of Order in Council 365, approved on the third day of February, 1970, placing a reserve under the Placer-mining Act and Mineral Act over certain lands in the Liard Mining Division be rescinded and the following inserted in their place:

2. All that portion of the watershed of the main stream of the Liard River and its tributaries lying below the 1,420 foot contour of elevation between a point on the Liard River located 16.0 miles downstream from the mouth of Scatter River upstream to the 125° 40' Meridian of West Longitude.
3. All that portion of the watershed of the main stream of the Liard River and its tributaries lying below the 1,920 foot contour of elevation, west of the 125° 40' Meridian of West Longitude, upstream to where the 127° 14' Meridian of West Longitude crosses the main stream of the Liard River.

DATED THIS 14 DAY OF March A.D. 1972

Frank Richter

APPROVED THIS 14 DAY OF March A.D. 1972

[Signature]
Presiding Member of the Executive Council

433

APPROVED AND ORDERED FEB. 20, 1981

Lieutenant-Governor

EXECUTIVE COUNCIL CHAMBERS, VICTORIA FEB. 19, 1981

On the recommendation of the undersigned, the Lieutenant-Governor, by and with the advice and consent of the Executive Council, orders that

1. Sections (e) and (h) of B.C. Reg. 59/70 be repealed.
2. The following described land in the Liard Mining Division, Peace River Land District, is established as a mineral reserve and as a placer mining reserve:
 - (1) Site "A" - the area lying between Latitude 59° 38' North and Latitude 59° 52' North and between Longitude 124° 12' West and Longitude 124° 40' West.
 - (2) Site "E" - the area lying between Latitude 59° 20' North and Latitude 59° 30' North and between Longitude 125° 30' West and Longitude 125° 58' West.
3. No free miner shall obstruct, endanger or interfere with or allow any other person to obstruct, endanger or interfere with the construction, operation or maintenance of any dam, conduit, water tunnel, spillway, power plant or any ways, works or structures connected with the development of hydro-electric power in the reserve created by section 2.

APPROVED AND ORDERED DEC. 14, 1979

Lieutenant-Governor

EXECUTIVE COUNCIL CHAMBERS, VICTORIA DEC. 13, 1979

On the recommendation of the undersigned, the Lieutenant-Governor, by and with the advice and consent of the Executive Council, orders that B.C. Reg. 59/70 be amended as follows:

1. Paragraphs (a), (b), (c) and (d) are repealed and the following substituted:
 - (a) All that portion of the watershed of the Liard River lying below the 290 m contour of elevation upstream from an east-west line intersecting the said Liard River 1.0 mile upstream from the mouth of Zus Creek and downstream of the 124°20' meridian of west longitude.
 - (b) All that portion of the watershed of the Liard River lying below the 488 m contour of elevation upstream of the 124°20' meridian of west longitude and downstream of the 125°45' meridian of west longitude.
 - (c) All that portion of the watershed of the Liard River lying below the 616 m contour of elevation south of the surveyed position of the 60th parallel of north latitude and upstream of the 125°45' meridian of west longitude and downstream of the 127°15' meridian of west longitude.
 - (d) All that portion of the watershed of the Liard River lying below the 670 m contour of elevation south of the surveyed position of the 60th parallel of north latitude and upstream of the 127°15' meridian of west longitude.
