Lieutenant-Governor

EXECUTIVE COUNCIL CHAMBERS, VICTORIA FEB. 20 1975

Pursuant to the Mineral Act and Placer-Mining Act, and upon the recommendation of the undersigned, the Lieutenant-Governor, by and with the advice and consent of the Executive Council, orders that no person may locate or mine upon the following area in the Fort Steele, Nelson and Trail Creek Mining Divisions for any mineral therein:

An area one-half mile wide being one-quarter mile on each side of the center line, as shown in red, between points A and B of the proposed right-of-way of the Inland Natural Gas Co. Ltd. as shown on Maps 1 to 11, Volume 341, File 113, in the office of the Chief Gold Commissioner, Victoria, B. C.

except in accordance with and subject to the following terms and conditions:

No holder of a mineral claim, or placer claim or placer lease, or a lease issued under the Mineral Act that may hereafter be located within the area outlined above shall interfere, or allow any person exploring, developing, mining or working in any way the said claim or lease to interfere in any manner with the construction, operation and maintenance of a natural gas pipeline within the area reserved; and

No holder of a mineral claim, or placer claim or placer lease or a lease issued under the Mineral Act or any person, shall carry on any exploration, development, or mining operation of any kind whatsoever within two hundred and fifty feet of the pipeline or any pumping station, or any other works connected with the transmission of natural gas through the said pipeline, unless the permission of the Chief Petroleum Engineer and the Chief Inspector of Mines has first been obtained; and

No holder of a mineral claim, or placer claim or placer lease, or a lease issued under the Mineral Act, or any person exploring, developing, mining or working in any way the said mineral claim, or placer claim or placer lease, or lease issued under the Mineral Act, shall be entitled to any claim for damages which may be caused by the construction, operation and maintenance of the pipeline to any workings or structures of any kind whatsoever which may have come into existence on the said mineral claim, or placer claim or placer lease, or a lease issued under the Mineral Act along the route of the pipeline by the time the pipeline is constructed.
