MAR 28 77 AM

THE GOVERNMENT OF THE PROVINCE OF BRITISH COLUMBIA

1010

APPROVED AND ORDERED 24.MAR.1977

DEPT. OF MINES AND PETROLEUM RESOURCES

W. S. Owen

Lieutenant-Governor

EXECUTIVE COUNCIL CHAMBERS, VICTORIA 24.MAR.1977

AM

Pursuant to the Mineral Act and Placer Mining Act, and upon the recommendation of the undersigned, the Lieutenant-Governor, by and with the advice and consent of the Executive Council, orders that no person may record or locate or mine or develop or produce minerals or stake or acquire a location in or upon the following described lands in the Liard Mining Division, Peace River Land District:

An area one and one-half kilometers wide, being seven hundred and fifty meters on each side of the center line of the right-of-way of the proposed Grizzly Valley pipeline of the Westcoast Transmission Company Limited (hereinafter called "the pipeline") as shown on maps 7 to 16, Volume 434, File 113, in the office of the Chief Gold Commissioner, Ministry of Mines and Petroleum Resources, Victoria, British Columbia, which lands are hereby designated as placer reserves under the Placer Mining Act,

SEE OIC #2047

except in accordance with and subject to the following terms and conditions:

1. No holder of a mineral claim or lease issued under the Mineral and Placer Mining Acts that may hereafter be located within the area outlined above, shall interfere or allow any person exploring, developing, mining or working in any way the said claim or lease to interfere in any manner with the construction, operation and maintenance of the pipeline within the area reserved;
2. No holder of a mineral claim or lease issued under the Mineral and Placer Mining Acts that may hereafter be located within the area outlined above, or any person, shall carry on any exploration, development, or mining operation of any kind whatsoever within seventy-five meters of the pipeline or any pumping station, or any other works connected with the transmission of natural gas through the pipeline, unless the permission of the Chief Petroleum Engineer and the Chief Inspector of Mines has first been obtained; and
3. No holder of a mineral claim or lease issued under the Mineral and Placer Mining Acts that may hereafter be located within the area outlined above, or any person exploring, developing, mining or working in any way the said mineral claim, or lease, shall be entitled to any claim for damages which may be caused by the construction, operation and maintenance of the pipeline to any workings or structures of any kind whatsoever which may have come into existence on the said mineral claim, or lease, along the route of the pipeline by the time the pipeline is constructed.
