

# TABLE OF CONTENTS

## *Western Canada Sedimentary Basin*

### *Petroleum Geology*

<b>Ibrahimbas, A. and Walsh, W.</b> Stratigraphy and Reservoir Assessment of Pre-Givetian Strata in Northeastern British Columbia .....	1
<b>Ryan, B., Karst, R., Owsiacski, G. and Payie, G.</b> Potential Coalbed Gas Resource in the Hudson's Hope Area of Northeast British Columbia .....	15
<b>Walsh, W., Salad Hersi, O.V. and Hayes, M.</b> Liard Basin - Middle Devonian Exploration.....	38

### *Aggregate and Surficial Geology*

<b>Levson, V.M., Ferbey, T., Hickin, A.S., Bednarski, J., Smith, R., Demchuk, T.E., Trommelen, M.S., Kerr, B.J. and Church, A.</b> Surficial Geology and Aggregate Studies in the Boreal Plains of Northeast British Columbia .....	42
<b>Demchuk, T.E., Ferbey, T., Kerr, B.J. and Levson, V.M.</b> Surficial Geology and Aggregate Potential Mapping in Northeast British Columbia Using LiDAR Imagery.....	51
<b>Ferbey, T., Hickin, A.S., Demchuk, T.E. and Levson, V.M.</b> Northeast British Columbia Aggregate Mapping Program: A Summary of Selected Aggregate Occurrences Northeast of Fort Nelson .....	60
<b>Hickin, A.S. and Kerr, B.J.</b> Bedrock Topography Mapping and Shallow Gas in Northeast BC.....	69
<b>Kerr, B.J., Ferbey, T. and Levson, V.M.</b> Implementing Geomatics Technology for Aggregate Exploration, Northeast British Columbia.....	76
<b>Smith, R., Paulen, R., Plouffe, A., Kowalchuk, C. and Peterson, R.</b> Surficial Mapping and Granular Aggregate Resource Assessment in Northwest Alberta.....	80
<b>Trommelen, M.S., Levson, V.M., Hickin, A.S. and Ferbey, T.</b> Quaternary Geology of Fort Nelson (NTS 094J/SE) and Fontas River (NTS 094I/SW), Northeastern British Columbia.....	96

### *Interior Basins*

<b>Ferri, F., Mustard, P.S., McMechan, M., Ritcey, D., Smith, G.T., Evenchick, C. and Boddy, M.</b> Skeena and Bowser Lake Groups, West Half Hazelton Map Area (93M).....	113
<b>Ferri, F. and Boddy, M.</b> Geochemistry of Early to Middle Jurassic Organic-Rich Shales, Intermontane Basins, British Columbia .....	132
<b>Smith, G.T. and Mustard, P.S.</b> The Southern Contact of the Bowser Lake and Skeena Groups: Unconformity or Transition? .....	152

### *Vancouver Island Coalbed Gas*

<b>Ryan, B., Bickford, C.G.C. and Niemann, M.</b> Cumulative Coal Thickness and Coalbed Gas Potential in the Comox Coal Basin; Vancouver Island .....	157
