PETROLEUM TITLES DATA (CD ROM)

The Petroleum Titles Branch maintains an electronic database of all Crown petroleum title related data. This information is available to the public and the oil and gas industry on compact disk (CD) in ASCII format. Each CD contains information on active petroleum and natural gas tenures, inclusive of term, tenure holders, location, rights conveyed, continuations and renewals.

CD's are produced on a monthly basis and can be obtained from:

Crown Publications Inc.
521 Fort Street
VICTORIA BC V8W 1E7

Telephone: (604) 386-4636
Facsimile: (604) 386-0221

Annual subscriptions are \$4,200; individual issues are \$375. Cheques should be made payable to Crown Publications Inc., and include provincial sales tax of 7% and the goods and services tax of 7%. A user guide is supplied with all new subscriptions.

CD's are generated on the first of each month and are distributed to subscribers. Each new CD is a generation of the entire petroleum title database. Shipping requirements other than by surface mail can be arranged and all shipping charges will be the subscriber's cost.
