

INFORMATION LETTER

May 2024

ENERGY RESOURCES DIVISION

ERD-24-01

SUBJECT: Guide to Acquire Storage Reservoir Exploration Licences and Storage Reservoir Licences

The Ministry has issued the Guide to Acquire Storage Reservoir Exploration Licences and Storage Reservoir Licences to provide support for the development of applications for storage reservoir licences and exploration licences. Additionally, this guide provides information on the administration of these licences.

The guide is available on the Petroleum and Natural gas Tenure [Publications](#) webpage.

Nathaniel Amann-Blake
Assistant Deputy Minister
Energy Resources
Division
