

INFORMATION LETTER

UPSTREAM DEVELOPMENT DIVISION

UDD-15-01

SUBJECT: Earning Wells – Guide to Geological Evaluation of Zones posted

The Tenure and Geoscience Branch has issued a new guide, [Earning Wells – Guide to Geological Evaluation of Zones](#), which is available on the government website. The guide explains the factors the Director of Petroleum Lands considers in determining whether a well sufficiently evaluates a zone held under a drilling license.

Inés Piccinino
Assistant Deputy Minister
Upstream Development Division

March 2015
