

Industrial - General Application Requirements List

In addition to the General Application Requirements included on the Application Form, the following items are required for all Industrial General applications.

- A Site Plan of the entire application area, drawn to scale with a north arrow, identifying the location of all improvements (buildings, structures, roads, powerlines, fences, etc.) in relation to the boundaries of the tenure area and other legal boundaries.
The Site Plan should, as a minimum, include:
- Location and size of all proposed improvements;
 - Source of water;
 - Means of sewage disposal;
 - Proposed access and/or parking; and
 - Utilities.
- AND**
- A [Management Plan](#), signed and dated, which includes the project overview, project description and additional information as necessary.

Note: Applicants should restrict management plan content to information that is directly relevant to the proposed project. Management Plans should not contain statements that are biased or judgmental or which may be harmful to other applicants, other licensed users of Crown land and resources, the general public, or businesses operating on private land.
