

# Label and Record a Fossil

This worksheet was created by the BC Fossil Management Office in the Heritage Branch of the Government of British Columbia ([CC BY-NC-SA 4.0](https://creativecommons.org/licenses/by-nc-sa/4.0/)).

Each fossil in a fossil collection needs a unique number to identify it.

Specimen #: \_\_\_\_\_  
*Give the fossil a number here.*

Location: \_\_\_\_\_  
*The place the fossil was found.*

Geology: \_\_\_\_\_  
*The type of rock (sandstone, shale, ...) the fossil is from.*

Species: \_\_\_\_\_  
*Write "unknown" if you don't know what species it is.*

Collector Name: \_\_\_\_\_  
*Write your name here.*

Collection Date: \_\_\_\_\_  
*The date that the fossil was found.*

Comments: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
*Put any other information you want to record about the fossil here.*

*If you want to, you can draw the fossil here.*
