

LIST OF BRITISH COLUMBIA FOSSIL RESOURCE CONSULTANTS

Revised April 2024

This list contains contact information for consultants that have identified themselves to the BC Fossil Management Office as being available to fulfill the requirements of *Fossil Impact Assessments*, such as the conduct of impact assessments, excavations, site monitoring, fossil collection and records, preparation of documentation and reports. The consultants on this List have staff qualified to undertake various aspects of the fossil resource management requirements that are issued by the BC Fossil Management Office.
