# Report a Fossil

Fossils reported by the public can help paleontologists make amazing discoveries. By using this form to report information about a fossil, you can make an important contribution to our understanding of B.C.'s natural heritage.

**Please visit the Fossil Management in British Columbia website for more information on fossil collecting in B.C.**

<https://www2.gov.bc.ca/gov/content/industry/natural-resource-use/land-use/fossil-management>

The personal information collected on this form is necessary for the administration of reported fossil occurrences and will be used to respond to your report. If you have any questions regarding the collection and use of this information, contact the BC Fossil Management Office at (778) 698-4186 or send an email to [Fossil.Management@gov.bc.ca](mailto:Fossil.Management@gov.bc.ca).

Upload an image of the fossil:\*

Attached files will show in the left side attachment pane (paperclip icon)

Images must be in one of the following formats: JPEG, GF, or PNG. Context is important in paleontology, so be sure to photograph the fossil where you found it.

Using a map, permanent landmarks or GPS, describe the coordination and location of the fossil(s) found:\*

Additional description (Use this field to provide a description or note any visible features):

Name:\*

Phone Number:\*

Company, organization or institution you work for or study at (if applicable):

Email Address:\*
