Order Amending the January 1996 Declaration of the Kamloops Land and Resource Management Plan as a Higher Level Plan Pursuant to Section 1(1) of the Forest Practices Code of British Columbia Act

1. The following amendments to the January 1996 order will take effect on January 31, 1997:
 - (a) the March 1996 Addendum is included in the definition of the Kamloops Land and Resource Management Plan;
 - (b) the 1:250,000 map of the plan area dated July 28, 1995, is replaced with a 1:250,000 map dated March 1996; and
 - (c) the new provisions regarding zones, objectives and strategies outlined in sections 2.0 through 2.6.2 of the March 1996 Addendum to the Kamloops Land and Resource Management Plan are declared to be a higher level plan where they are applicable to operational plans.
2. The remainder of the January 1996 order declaring the Kamloops Land and Resource Management Plan to be a higher level plan remains in effect.
3. The Ministers of Forests, Environment, Lands and Parks and Employment and Investment may, at any time, cancel, replace or amend all or part of this order.
4. This order will be filed with the regional manager of the Kamloops Forest Region.
