

Summary of Public Comments on Draft Land Use Objectives for the Okanagan-Shuswap Land and Resource Management Plan Area, Published September 15, 2006, and Changes Made to the Final Objectives.

SOURCE	DATE	WHICH PART OF ORDER	COMMENTS	RESOLUTION
Erin Nelson	September 26, 2006	Objectives	All relevant LRMP objectives and strategies should be established as a higher level plan.	No change. Comments reflect a criticism of the FRPA model, rather than specific concerns with the draft objectives.
Malcolm E. Martin	September 26, 2006	Objectives	All relevant LRMP objectives and strategies should be established as a higher level plan.	No change. Comments reflect a criticism of the FRPA model, rather than specific concerns with the draft objectives.
Margaret Hubble	October 1, 2006	Objectives	All relevant LRMP objectives and strategies should be established as a higher level plan.	No change. Comments reflect a criticism of the FRPA model, rather than specific concerns with the draft objectives.
Kay Bartholomew	October 23, 2006	Objectives	Objects to replacement of the LRMP by the proposed land use objectives.	No change. Comments reflect a criticism of the FRPA model, rather than specific concerns with the draft objectives.
Mark Tamas, Chair, Shuswap-Okanagan Forest Association	November 10, 2006	Objectives; maps	Concerned that the objectives are too broad, lack precision, and bring in elements from the previous management regime. Maps need to clarify areas where objectives apply.	Some objectives were changed to reflect LRMP direction more exactly. References to applicable areas were clarified in some objectives.
