**ORDER TO ESTABLISH  
A SENSITIVE AREA AND OBJECTIVES**

**QUADRA–HERIOT RIDGE SENSITIVE AREA**

Pursuant to Section 5 of the *Forest Practices Code of British Columbia Act*, I hereby establish the Quadra–Heriot Ridge Sensitive Area, located on Quadra Island, within the Campbell River Forest District, effective November 21, 2003. The boundaries of the Quadra–Heriot Ridge Sensitive Area are shown on the attached map, dated November 21, 2003.

Effective November 21, 2003, I hereby establish the following objectives for the Quadra-Heriot Ridge Sensitive Area:

1. Retain all remaining old growth values in order to manage for biodiversity conservation purposes.
2. Protect raptor and heron nesting habitat.
3. Maintain the visual quality of known scenic areas in accordance with the recommended visual quality classes in the visual landscape inventory, until the district manager establishes visual quality objectives for this area.
4. Provide for public recreational opportunities within this area along developed trails as well as dispersed recreational use within forested areas.
