ICBC INSURANCE

Rate class 035 provides on highway coverage for farm, industrial, maintenance, landscaping and law enforcement use. Rate class 036 provides on highway coverage for all other ORV uses. All other coverage is optional.

POLICE ISSUED OPERATION PERMIT (MV1815)

Brokers are not required to sight the operation permit. If your customer has any questions about the permit, direct them to the police department/detachment nearest to where the vehicle will be operated.

EXEMPTION FROM REGISTRATION, LICENSING AND ICBC INSURANCE

The exemption applies to industrial utility vehicles operated exclusively in one or more of the following areas:

- crossing a highway that intersects a worksite
- the travelled part of a highway that is within a worksite which is controlled so that it is inaccessible to the public
- the travelled part of a highway that is adjacent to a worksite when loading or unloading the vehicle from another vehicle
- the untravelled part of a highway at a worksite
- a parking lot or driveway and used by or on behalf of the property owner or operator

The exemption applies to **golf carts** owned or leased by a golf course owner or operator and operated exclusively in the following areas:

- to cross a highway between two parts of same golf course and
- in a golf course parking lot or driveway

Owners must have third party liability insurance with limits of at least the amount that is required for similar vehicles without an exemption. This coverage is not available from ICBC.

VEHICLES INELIGIBLE FOR REGISTRATION, LICENCE AND ICBC INSURANCE

Do not register, licence, insure or issue TOPs for the following vehicles:

- **Mobile equipment**: Self-propelled devices incapable of exceeding 10 km/hr, and can only be steered by an operator walking or standing behind, beside or in front of the device, or a work platform used to raise or lower the operator, tools or supplies.
- Miniature motor vehicles: Motorized go-carts, skateboards and other wheeled toy vehicles and miniature motorcycles are prohibited from operating on a highway except when operated on a designated parade route. If operating on a designated parade route, the customer must carry an insurance policy with minimum \$200,000 third party liability coverage. This coverage is not available from ICBC.
- Beverage carts: owned or leased by a golf course owner or operator may be operated across a highway between two parts of same golf course and in a golf course parking lot or driveway. The customer must carry an insurance policy with minimum \$200,000 third party liability coverage. This coverage is not available from ICBC.

DEFINITIONS

- Designated area means private property, parking lot, campground, airport, ferry terminal, golf course, and marina.
- Limited access island means an island that is not accessible by scheduled vehicle service or by bridge.
- **Travelled portion of highway** means the area of a highway that has a prepared surface for a vehicle operation, including the shoulder.
- Untravelled portion of highway means the portion of highway adjacent to the roadway/ shoulder including the ditch, grassy boulevard, and the sidewalk.
- Work purposes means farming, industrial, maintenance or landscaping purposes.
- Worksite means a specific location where the tools, supplies or equipment carried on or in a motor vehicle are being used, or where a utility vehicle is being used for its unique utility purpose unrelated to the transportation of people or property. For a sidewalk sweeper or plow, the worksite is the continuous area that is being swept or plowed immediately beneath the vehicle; for all other vehicle types, operation on the travelled portion of the highway is limited to a maximum of 100 continuous metres from the worksite.
