

## Bridge Standards Library Revision History

Typically excludes history of minor corrections, minor layout changes, broken link fixes, etc.

Date	Section	Revision description
July 12, 2023	2	<p>Moved the following item from the Bridge Standards Manual appendices to the Bridge Standards Library, because it is obsolete:</p> <ul style="list-style-type: none"> <li>• FS 1229: DM Requirements- Building of FSR Bridges by a Road Permit Holder.</li> </ul>
June 8, 2023	1, 8 & 14	<p>Added "OBSOLETE" watermark to the following Library items to reduce the risk of them being mistaken for current mandatory ministry standards:</p> <ul style="list-style-type: none"> <li>• Bridge Design &amp; Construction Manual;</li> <li>• Prestressed Concrete Component Standards; and</li> <li>• Procedures for Inspection &amp; Evaluation of Glued-Laminated Bridges.</li> </ul>
February 28, 2023	All	<p>Published publicly available online Bridge Standards Library (Library) within the online, publicly available Bridge Guidelines, Standards and Specifications (BGSS).</p> <p>This included many minor changes from the previous BGSS website. Some notable changes included:</p> <ul style="list-style-type: none"> <li>• Moved most <b>non-mandatory</b> research info., educational info., outdated standards and drawings, etc. into a Bridge Standards Library for reference for an undetermined length of time. Some may be completely removed from the Ministry's public websites in the future;</li> </ul> <p>Organized Library information in sections that generally align with Canadian Highway Bridge Design Code (CHBDC) sections.</p>
