

Acceptance of Bridge & Major Culvert Drawings & Specifications

TO BE COMPLETED BY THE MINISTRY ENGINEER **PRIOR TO CONSTRUCTION**

Forest District/Business Area	Project #	Site ID
FSR Name		Km
Stream Crossing Name		

I have reviewed the drawings and specifications identified as _____ and, in my opinion, they:

- address the ministry's requirements for the project, and
- provide for a structure that I would expect to be appropriate for the site.

Signature of Ministry/Ministry bridge engineer	DATE SIGNED YYYY M M DD
