

Engineering Manual Revision History

- Typically excludes history of minor corrections, minor layout changes, broken link fixes, etc.

Date	Section/ Sub-section	Revision description
December 13, 2023	Chapter 6.7.1-6.7.8	Revised Engineered Structure Inspection
November 23, 2023	Chapter 6.1-6.6	Revised Road Inventory, Inspection and Maintenance
October 24, 2022		Revised preface Removed all PDF versions of the manual
May 28, 2022	Chapter 10	New Chapter 10: Adaptation for climate change and weather extremes, Resilient Infrastructure Engineering Design
May 27, 2022	Section 4.15	Revised to clarify requirement for authentication of Record (as-built) Drawings
April 20, 2022	Table 1-2 chapter 1, section 1.2	Updated Table 1-2 to capture implementation of revised Delegation Matrix
March 2022		PDF version of Engineering Manual deleted
February 11, 2022	Chapter 5, section 5.2	Update broken link to Road Assurance Statement document
February 9, 2022	Chapter 1, section 1.5	Updated a broken link to the Manual of Standard Traffic Signs & Pavement Markings
January 2022	Chapter 8	Replaced FS1366 and updated link on right bar
January 7, 2022	Section 4.2.1	<i>for those bridges that meet the tests provided in the Guidelines for complex crossings, the CRP or POR must be a professional engineer.</i>
January 7, 2022	Section 4.4.2	<i>All CRPs require a minimum of 4 (8) years of direct bridge experience in forestry or related industries in British Columbia within the past 10 years</i>
January 6, 2022	Chapter 9	Update link to Road Project Assurance Statement
December 22, 2021	Section 1.2	Revised updated Table 1-2 Administrative responsibility/authority matrix for administering FSRs Expanded table including revisions arising from Bill 23
December 20, 2021	Chapter 4, section 4.2, 4.12	Update link to new EGBC/ABC FP Crossing Guidelines

	Chapter 8, section 8.1	
December 20, 2021	Chapter 4, section 4.1, 4.3, 4.4, 4.10	Change reference from FSBDCM to BGSS
September 23, 2021	Chapter 9	New Chapter 9: Forest Resource Road and Crossing Erosion and Sediment Management
August 5, 2021	Chapter 6	Add links for 6.2.2.1-11
May 18, 2021	Section 1.2	Revised title from "Issuance of Road Use Permits" to "Road Use Permits and Issuance"
