| 2. Driving an unsafe vehicle. | 5. Users unaware of road safety procedures |
| 3. Users unaware of road hazards and risks. | 6. Users not following the road safety procedures. |

1. The Role of the 100 Mile House TSA Resource Road Safety Committee is to:

- Through the involvement and co-operation of the forest road stakeholders, develop and maintain an effective forest road safety management system including standardized Forest Road Procedures.
- Facilitate the coordination of hauling and other industrial activities.
- Facilitate the communication of known forest road hazards.
- Facilitate the administration of Road Use Agreements, including the notification of planned use to the Road Permit or Road Use Permit holders.
- Conduct regular multi-user meetings to discuss road hazards and other safety issues and make the minutes available to other industrial road users.

2. The Role of the Driver is to;

- Avoid risk to themselves and other road users by following all the Forest Road Procedures and always driving safely.
- Report any potential road safety hazards to their supervisor or employer.
- Report all accidents or near misses to their supervisor or employer.
- Always drive within the limitations of the road, the weather, the vehicle and their individual skill level.

3. The Role of the Employer is to;

- Provide the necessary education and training in safe driving practices to their supervisors and drivers, including instruction in the published Forest Road Procedures.
- Conduct regular road risk assessments and communicate known hazards to their supervisors and employees.
- Actively supervise their drivers to ensure they are driving safely and following the published Forest Road Procedures.
- Report any identified road safety hazards to the Road Permit or Road Use Permit holder.
