

Road Hazard Identification & Reporting Form

(January 19, 2010 – Mackenzie Road Management Committee)

Identified forest road hazards need to be controlled and/or communicated immediately to other road users. This form is to be used whenever a road hazard (see list below) has been identified on a road being maintained for industrial use in the Mackenzie Forest District. This form may be used by all road users as a communication tool.

If notification is required, fax or e-mail the fully completed form to; **The Mackenzie Road Safety/Maintenance Committee, Fax: 250-997-2236, E-Mail: Knut.Herzog@gov.bc.ca**
