APPLICATION FOR ROAD PERMIT EXEMPTION

Under the authority granted the Minister in Section 22.1 (4) (a) of the *Forest and Range Practices Act*, this application is for an exemption from the requirement to obtain a road permit for industrial use. Road permit exemptions will be considered where the volume of timber to be transported is less than 2,000 cubic metres. Each application must include a map clearly indicating roads that are being requested under the road permit exemption.
